

PETITION FOR ENCROACHMENT CROSSING ON A REGULATED DRAIN EASEMENT

Petition to the Tippecanoe County Drainage Board:

The undersigned, _____, who owns _____ (address), does hereby request permission of the Tippecanoe County Commissioners and the Tippecanoe County Drainage Board to encroach _____ feet into the Regulated Drain easement of the _____ Regulated Drain in Tippecanoe County, Indiana, as shown on the diagram hereto attached and made a part of this petition.

Zachariah E. Beasley, Tippecanoe County Surveyor, has approved of this request.

The Petitioner acknowledges any permanent improvements to be placed within the Regulated Drain Easement are placed there at the owners risk and are the sole responsibility of the owner, that all maintenance of the proposed crossing will be the petitioners responsibility and that any time the encroachment interferes with the use of the easement, the encroachment will be removed and/or relocated at the expense of the owner. The petitioner also acknowledges that the County Surveyor and the County Drainage Board shall not be responsible for any damage to the encroachment while doing maintenance or reconstruction on the Regulated Drain.

There are no other affected parties other than those who have approved this request.

Therefore, we respectfully request your permission for encroachment _____ feet into the easement, and if at any time the encroachment interferes with the use of the easement, we will remove the encroachment at our expense. This agreement runs with the land and binds our successors and assigns.
